Actor Bio:

In a paragraph: Diao is fresh. Coming from a perspective based on natural ability completed with training by the best in the business, Diao brings to life the smallest details of characters we have grown to love and some that we need to get to know. Maybe it's the mix of urban higher education with multi-racial influences that give Diao his swagger. Maybe it's his athleticism and involvement in some of today's most pressing issues. Needless to say, with Diao you are getting the ABC's - Accountability, brotherly love, and captivation. Dynamics is a given. When considering a biography, one usually tries to reach back to timeline the life-shaping experiences and milestones that would impress the reader. For Diao, to sum it all up - Life is what you make it. To be strong, make strong choices.
