Actor Bio:

Actress, musician, poet, digital artist, film maker, photographer, voice over artist, journalist, crocheter, singer, yogi, scooter rider (125cc type) and vegan cook. I created the Blog idea of Artistic Hope the summer after I beat Breast Cancer. Kristi Funk & Lisa Cassileth were my doctors. I've also had to fight to walk twice, 1997 & 2008. I have a law degree but I'm not talented at fighting. I'm into holistic medicine and saving the planet. I'm told I'm an honest realistic actor. I like science fiction, thrillers, horror if not overly real (zombies, vampires), fantasy, BBC, PBS, Dr Who, Sherlock Holmes, Detective, stories with Strong Women, and expressions of tolerance and equality for all.
