

ATLANTA LOCAL PRODUCTION UPDATE - Members only

As of November 22, 2017

The productions listed below have started or may be starting production in the States of Georgia and South Carolina, as noted. SAG-AFTRA has been notified that some of the productions with upcoming start dates may become signatory to one of the SAG-AFTRA collective bargaining agreements. Please be advised that these producers may have not completed the signatory process at this time. **It is the responsibility of each member to confirm that each producer has signed the applicable contract before making an agreement to render services.** Rendering services for a producer not signed to the applicable contract for the production may lead to disciplinary charges being filed. If you have any questions, please call (404) 239-0131, ext. 11 or send an email to melissa.goodman@sagaftra.org.

Because access to our updates is restricted to SAG-AFTRA members in good standing only, we ask your continued cooperation in maintaining the confidentiality of its contents.

This production update is provided as a service to SAG-AFTRA members to assist you in following up on work opportunities with your talent agent. Most producers will not accept direct submissions and will only consider performers submitted by talent agents. Since they do not accept direct submissions, many producers will not grant permission to include casting information or production office data on these communications. **If the information does not appear on this update, it was not available to SAG-AFTRA for publication.**
