

MUSIC VIDEOS

Warm-up room provisions differ from contract to contract

For Music Videos, this is what Dancers should know:

- Adequate supply of bottled or other drinking water.
- Adequate number of suitable chairs for all performers to use or share.
- Adequate toilet facilities shall be provided for all performers, with toilets kept in a clean and sanitary condition. "Adequate toilet facilities" includes washing facilities with individual towels and soap.
- Men and women shall be afforded the opportunity to change clothing separately, and performers shall be provided with space in which they can store their personal belongings.
- In inclement weather (e.g. rain, sun, cold) performers will be provided shelter and shall not have to wait outdoors.
