Self-Tape Provisions for Dancers

- A performer may not be charged a fee to access any casting notice, breakdown or casting materials when they are specifically called to audition.
- A performer may not be charged to upload a self-tape or to submit themselves when they are specifically called to audition.
- Producers shall provide the opportunity to audition virtually per the self-tape provisions.
- Producers cannot ask performers to submit a video with a resolution higher than 720p or require editing software, lights, mic or backgrounds.
- The slate can only include the following:
 - Performer's name
 - Height
 - City of residence
 - Current location
 - Age and birthdate
 - Special skills
 - Headshot or full body shot in portrait orientation.
- Performers cannot be requested to appear nude or wearing attire more revealing than a bathing suit that can be worn at a public pool.
- Producers must supply all music required for a self-tape.
- Producers must supply specific choreography and may not ask a dancer to improv or freestyle.
- Choreography cannot exceed four eight counts.
- The audition must be able to be performed in an indoor space no larger than 8 feet by eight feet.
- Solo only; no partner or group auditions may be required.
