# We're Here to Help

So now you're eligible to work under the protection of one of the best unions in the country, but don't have the initiation fee. Maybe we can help. We offer SAG-AFTRA initiation loans for just that purpose, and we will pay SAG-AFTRA directly.

**Terms up to 24 months and the only requirement is that you open an account or are a member in good standing of SAG-AFTRA Federal Credit Union**

**Income verification is not required in most cases**

***Apply online at [www.sagaftrafcu.org](http://www.sagaftrafcu.org), in person at one of our branch offices or by calling our Member Service Center at 818.562.3400***

**SAG-AFTRA members are why we are here. If you have a financial need, we can help. If you see a better rate elsewhere, let us know. We will do our best to match or beat that rate!**

\*APR is Annual Percentage Rate and is accurate as of 09/24/2018. All rates are subject to change without notice. Loans are subject to SAG-AFTRA FCU lending guidelines. Not all applicants will qualify for our best rate. Our best rate includes a 1% discount for automatic payment from your SAFCU Checking Account.
